

FUNDRAISER FOR THE SAN JUAN COUNTY FAIR

FAST TRACK HORSEMANSHIP CLINIC

*The Fast Track Clinic is a two day program that is completely customized for you and your horse!

*Unlike most “clinics”, everyone does not work on the same thing. While others might be working on obtaining a good seat, some might be working on jumping!

*This program is NOT discipline specific, nor is there any age limit or skill limit! All are welcome!

*You receive an individual plan on Friday evening that is designed for you and your horse!

*This program can cover groundwork and under saddle!

*Each participant receives plenty of one-on-one time with Scott Purdum.
