

# TANGLEWOOD AMPITHEATRE PRESENTS A SIMULCAST EVENT

Join us for three days of music, fun and friendship as the wonders of modern technology allow us to celebrate these once in a lifetime shows at a local venue.

Many true Dead Heads were left out in the cold for tickets for this epic event and this is our way of trying to be a part of these shows without being extorted by scalpers or gate crashing.

In addition to broadcasts of the live shows from Chicago there will be bands performing throughout each day and probably into the night.

Space for camping is available, grills and other cooking surfaces will be available.

Porta-potties on site.

Venue adjacent parking – Shakedown Street atmosphere encouraged!

Admission is by donation. Please be generous, and if you don't know – don't show!
