

## Stand Up Men

are community members willing to take a stand against domestic violence and sexual assault.

**Stand Up Men invite you to support SAFE San Juans against domestic violence and sexual assault in our community.**

**SAFE is a non-profit agency** serving San Juan County with a mission to prevent and eliminate domestic violence and sexual assault through direct client services, education and community awareness to foster cultural and social change.

**This is your opportunity to fill in a gap of \$45,000 and fully fund prevention education.** Statistics show that community and school prevention education can drastically reduce and prevent these types of violence from occurring in the first place. (See studies at [safesj.org/resources](https://safesj.org/resources))

**Stand Up Men's motto:**  
Challenge Abuse. Change Lives. Stand Up

## The Challenge

**Domestic violence and sexual assault are real problems in the San Juan Islands.**

→ One out of three women and one out of six men nationwide will experience some form of sexual violence in their lifetime. Domestic violence is even more common. According to the San Juan County Sheriff's Department, domestic violence accounts for more than half of all the calls they receive\*. (\*More info at [safesj.org/resources](https://safesj.org/resources))

→ Domestic violence and sexual assault have a long-lasting impact on survivors, family members, friends, and community members in the San Juan Islands.

→ In addition to the human toll, these assaults are financially costly to our community:

- Staff costs for law enforcement, prosecuting attorneys and public defenders.
- Direct client and survivor advocacy services.
- Counseling for survivors, family members, friends and community members.
- Safe housing for survivors.

### Lack of Funding

SAFE San Juans is a nonprofit agency. They receive federal, state, and local funding for administration, staff salary, and direct client services – **but only 4.7% of those funds are able to go towards prevention and education efforts.** This leaves an approximate deficit of \$45,000 for prevention education.

## The Solution

**Community and school prevention education cost effectively reduce and prevent these types of violence.\***

(\*See studies at [safesj.org/resources](https://safesj.org/resources))

SAFE San Juans currently provides these services to islanders:

- Crisis Intervention and Counseling
- Advocacy Services
- Legal Advocacy
- Medical Advocacy
- Safety Planning
- School and Community Prevention
- Therapy

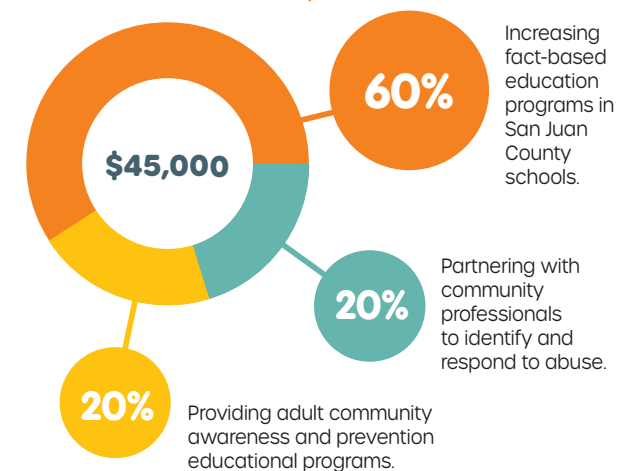

However more funding is needed for school and community prevention education.

### How You Can Help:

You can Stand with Stand Up Men to raise the necessary funds so that islanders can live free from abuse.

### SAFE 2019 Fundraising Campaign Goal of \$45,000

How will the funds be spent?

**Together we can provide education that results in healthy relationships and a better quality of life for all islanders.**

# Stand Together with SAFE

## Stand Up Men invite you to become a Sponsor

### Sponsors will benefit from:

- Recognition in all SAFE events and media campaigns, including e-newsletters, for your stand to prevent domestic violence and sexual assault in the San Juans.
- Satisfaction knowing what your contribution provides in services to County residents. For example: \$100 pays for 4 hours of prevention education.
