In January of 2007, a Charter Night Celebration was held to induct 27 charter-members to the Leo Club of San Juan. It was indeed a celebration and the start of a very productive club. Some of the projects undertaken have become annual obligations,

such as assisting with the Concourse d'Elegance, the Whale Museum Dinner, help with Santa's Ship, the San Juan Island Prevention Coalition's New Year's Eve Party, and the Children's Festival; others include building a replacement dock on Egg Lake (the first was built forty years ago by the San Juan Lions), an "Extreme Home Makeover" – for an elderly woman being forced to move out of her home due to health and financial difficulties; and ongoing projects such as Leos putting muscle into chopping and delivering fire-wood for the elderly, and clean-up, yard work, and maintenance at the Historical Museum.

Last spring the Leos held a blockbuster golf tournament and, with your help, they hope to do the same this year on June 8, 2008. Help the Leos to continue to be a positive presence in our community by taking a moment to review sponsorship opportunities to the right and send your pledge in to PO Box 1953. If you have questions about the event or sponsorship, please contact an advisor.
